

**REQUEST FOR FINANCIAL SUPPORT  
FROM CHINNOR & DISTRICT u3a CENTRAL FUNDS**

Although the ethos of the u3ais that SIGs should be self-funding, it is recognised that sometimes some additional financial support is required to establish a new group (e.g. pay for room booking for an inaugural meeting) or to augment the funds of an established group (e.g. to pay for an occasional specialist speaker or replace equipment). Therefore, it is possible to apply for financial support
