

Chinnor Heritage are pleased to announce that due to the very generous sponsorship of Chinnor Motors we have been able to publish our wartime novel *Rebecca's Diary*.

Based on real events and set against the background of a world war, Rebecca and her family work their farm, take in evacuees, battle with agricultural regulations, food and clothing shortages and the invasion of the American Air Force. It tells the story of a village coming together in the face of adversity and features the brilliant work of the Women's Institute, the Chinnor's Red Cross contingent, the role of the village hall and of course, the Home Guard.

A few local names will be recognised! The village suffered heartache and loss and this remembered.

Copies are available for a donation towards the hosting fee, via the website www.chinnorheritage.org.uk.
